**REPORT OF THE SUPERINTENDENT OF SCHOOLS**

---

To the School Board and Citizens of Benton:

I hereby present my third annual report as superintendent of schools.

The total enrollment of the school in 1944-1945 was 15; the average membership 13.30; the percentage of attendance 95.72; the number of tardinesses were 2. There was one pupil attending the Haverhill Academy; there were 4 elementary pupils at Pike School and 6 at Glencliff.

This year the total enrollment is 11. There is 1 pupil attending Haverhill Academy and 3 pupils attending the elementary schools outside of the district.

Mrs. Katie Page, of Groton, Vermont, is completing her third year of teaching at Benton. Her work is successful, and I suggest that you retain her for the coming year. Outstanding work at the Benton School is an extensive reading program, craft work, and club work for the children. The blackboard borders and other types of art are in excellent taste.

The school building was painted this summer, a woodshed was built and tile floors were laid in the hall and kitchen. The community is to be commended on its interest in maintaining a modern and well-equipped school.

The School Board hopes to make an addition, this spring, in the way of playground equipment.

The janitor service at the Benton School is very good. The teacher reports the building warm and comfortable at all times. When I visit, it is always neat and clean.

The aim of the School Board, Superintendent, and teacher is to work with the community for a better school. We feel that our work this year has been successful.

Respectfully submitted,

RONALD A. PERHAM,  
Superintendent.
